The Geological Society of London does not issue or require the agreement of a formal license for institutional access to Lyell Collection content. The GSL adheres to the SERU guidelines, as published on the NISO SERU website. More information: [www.geolsoc.org.uk/SERU](http://www.geolsoc.org.uk/SERU)

Payment of subscription or archive fees (direct or via an agent) implies acceptance of SERU.

Multi-site and global licenses may be issued. Text and Data Mining requests to licence should be emailed to [sales@geolsoc.org.uk](mailto:sales@geolsoc.org.uk)

We have partnered with CLOCKSS (Controlled Lots of Copies Keep Stuff Safe) to ensure that all the articles available on the Lyell Collection are stored safely and securely online. [www.clockss.org](http://www.clockss.org)
